Dear Madam Chairperson and South Dakota Public Utility Commissioners;

RE: EL17-055 CROCKER WIND FARM APPLICATION

SOUTH DAKOTA PUBLIC UTILITIES COMMISSION

I am writing you as a community member to share my support of the Crocker Wind Farm, a Geronimo Energy Wind Farm development located in Clark County, South Dakota.

- I support Crocker Wind Farm because it will provide **economic benefits to the local economy**, tax base, schools, local residents and county and towns.
- I support Crocker Wind Farm because it will provide numerous **benefits for the local and broader environment**, including water consumption savings and carbon dioxide emissions reductions.
- I support Crocker Wind Farm because its developer, **Geronimo Energy, is a responsible and thorough developer.**

My other comment:

Having this in our community will do nothing but

better it for all ways listed above and then some.

I am in total support as a community member and an operator of a business. If this does not go through there will not be benefits and that would be a shame, so much to gain.
