Dear Mr. Streff:

This is in response to your comments regarding the Crocker Wind Farm permit application that was filed with the South Dakota Public Utilities Commission on Dec. 15, 2017.

Since this is an open docket, your comments and my response will be posted in the public docket so my fellow commissioners and others can read them. You can view the docket on the PUC's website at www.puc.sd.gov by clicking on Commission Actions, Commission Dockets, Electric Dockets, 2017 Electric Dockets, and EL17-055 - In the Matter of the Application by Crocker Wind Farm, LLC for a Permit of a Wind Energy Facility and a 345 kV Transmission Line in Clark County, South Dakota, for Crocker Wind Farm.

Enclosed is an Information Guide to Siting Energy Conversion & Electric Transmission Facilities that will be helpful in explaining the PUC's processing of siting dockets such as this one.

Sincerely,

Kristie Fiegen
Chairperson
