SOUTH DAKOTA PUBLIC UTILITIES COMMISSION

Dear Madam Chairperson and South Dakota Public Utility Commissioners;

RE: EL17-055 CROCKER WIND FARM APPLICATION

I am writing you as a community member to share my support of the Crocker Wind Farm, a Geronimo Energy Wind Farm development located in Clark County, South Dakota.

- I support Crocker Wind Farm because it will provide **economic benefits to the local economy**, tax base, schools, local residents and county and towns.
- I support Crocker Wind Farm because it will provide numerous **benefits for the local and broader environment**, including water consumption savings and carbon dioxide emissions reductions.
- I support Crocker Wind Farm because its developer, **Geronimo Energy, is a responsible and thorough developer.**

**My other comment:**

*Clark County is dying, and if they don't get some help fairly soon they won't exist. It's time to face the facts and accept the offerings it has been given.*
