Xcel Energy

Docket No.: EL17-004

Response To: South Dakota Public  
Utilities Commission

Data Request No. 1-7

Date Received: February 3, 2017

---

Question:

Will Xcel's proposed LED tariff effectively cover costs of all cities served by Xcel in SD if other cities chose to implement LED street lights?

Response:

Yes. The present unmetered LED rate per Watt was established as a cost-based rate that is applicable to all cities served in South Dakota by Xcel Energy, as a practical alternative to the metered lighting requirement for existing lighting installations.
