

SERVICE TERRITORY EXCEPTION AGREEMENT

BETWEEN

BLACK HILLS POWER AND BLACK HILLS ELECTRIC COOPERATIVE

Black Hills Power (BHP) and Black Hills Electric Cooperative (BHEC) jointly agree to allow BHEC to provide electric service to 10540 Nemo Rd. The location of the house will be located in the Kozel Subdivision Lot 2, located in the NE1/4 of the NW1/4, Section 15, T2N, R6E, B.H.M., in Pennington County, South Dakota.

While the parcel of land resides within the existing BHP territory established in 1975 by the South Dakota Legislature and codified in SDCL 49-34A-42, BHEC's electric facilities are more conveniently located relative to providing service to this customer.

A drawing of the service site is attached to this agreement as Exhibit A.

BHP and BHEC have concluded that, in this instance, the customer's interests will be best served by receiving service from BHEC and have agreed to this exception to the existing territorial agreement.

We also agree that each such instance where territory boundaries become a factor will be dealt with on an individual basis.

This consent on the part of BHEC is limited to the said services described in this agreement and this territory exception will automatically terminate upon removal or abandonment of such services. BHP shall retain the right of service to any new commercial or residential facility or service that may be developed on any portion of the parcel as described.

This exception is not to be construed as having any impact upon or indicating a desire to change the service areas assigned by the South Dakota Public Utilities Commission.
