SDPUC Request No. 1.12:

Refer to Exhibit B, Measure Calculations sheet. Explain and justify the sources of the data used on this sheet. Explain any changes in the data used in the analysis compared to previous program years.

Response to SDPUC Request No. 1.12:

The sources for the new model come from the Illinois Technical Resource Manual (TRM) and the previous model utilized the Minnesota TRM. The Illinois TRM is updated more frequently and provides a more current source of data.
