

Docket Number: EL17-033
Subject Matter: Staff's Data Request 1
Request to: Ag Processing Inc.
Request from: South Dakota Public Utilities Commission Staff
Date of Request: 8/15/17
Responses Due: 8/24/17

- 1.1. In the service agreement, the parties state that AGP will require an initial load equal or greater to 6 MW. Is this initial load calculated based upon a peak, an average, or some other mechanism?
- 1.2. In the service agreement, it states the preliminary route of the NorthWestern Facilities is described in Exhibit 2. Since the time for the executed agreement, has any changes, major or minor, taken place to route or plans?
