Ryan Eggleston  
Clark County Highway Superintendent  
P.O. Box 294  
Clark SD 57225

Re: **Certificate of Completion**  
*Road Use and Repair Agreement by and between Crocker Wind Farm, LLC, and Clark County, South Dakota*

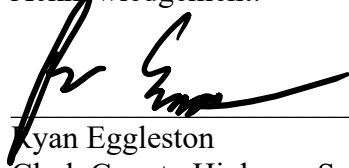

Dear Mr. Eggleston:

As you know, Crocker Wind Farm, LLC (“Crocker”) and Clark County (“County”) entered into a Road Use and Repair Agreement, dated August 21, 2018 (the “Agreement”), regarding Crocker’s use of County roads for the construction of the Crocker Wind Farm (“Project”). Crocker has now completed construction of the Project. Pursuant to the Agreement, Crocker has completed its repair of County roads or, in the alternative, County has agreed to accept certain compensation in lieu of such repairs. Crocker requests the County’s acknowledgement below of Crocker’s satisfaction of its obligations under the Agreement, which shall constitute the Certificate of Completion, as provided in Section 7.5 of the Agreement.

Sincerely,

Jeff Ringblom, Chief Financial Officer

Acknowledgement:

Re: Crocker Wind Farm Road Use and Repair Agreement –  
Certificate of Completion

Dear Mr. Mudgett:

As you know, Crocker Wind Farm, LLC (“Crocker”) and Woodland Township (“Township”) entered into a Road Use and Repair Agreement (“Agreement”) dated August 26, 2018, regarding Crocker’s use of Township roads for the construction of the Crocker Wind Farm (“Project”). Crocker has now completed construction of the Project. Pursuant to the Agreement, Crocker has also completed its repair of Township roads. Crocker requests the Township’s acknowledgement below of Crocker’s satisfaction of its obligations under the Agreement with respect to your respective Township roads depicted on the attached Exhibit B which was previously signed by township road supervisors on 09/18/2019, which shall constitute the Certificate of Completion required by Paragraph 6 of the Agreement.

Sincerely,

Jeff Ringblom, Chief Financial Officer
