Re: Construction Liaison Officer  
Crocker Wind Farm, LLC  
Crocker Wind Farm and 345 Kilovolt (“kV”) Transmission Line

Name

Crocker Wind Farm, LLC (“Crocker”) plans to commence construction of the Crocker Wind Farm and associated 345 kV Transmission Line (“Project”) in Clark County, South Dakota, as early as September 4<sup>th</sup>, 2018. In compliance with the South Dakota Public Utilities Commission (“Commission”) Facility Permit for the Project, we are providing you with information regarding the Construction Liaison Officer that has been appointed for the Project.

Steve Vanderbeek, the project liaison officer pictured below, was appointed by the Commission to work with the local community to address questions or concerns that may arise regarding the Project. In addition, Steve Vanderbeek will facilitate the exchange of information between members of the community and the Commission, should it be necessary. The public liaison officer can be contacted at:

6300 S. Old Village Place, Suite 100  
Sioux Falls, SD 57108  
Phone: 1-833-654-7182  
Email: [steve.vanderbeek@hdrinc.com](mailto:steve.vanderbeek@hdrinc.com)

While Crocker continues to be willing and available to answer any questions you may have regarding the Project, Mr. Vanderbeek provides another point of contact for the local community.

We look forward to working with you during and after construction of the Project.

Sincerely,

The Crocker Wind Farm, LLC Team
