

To Whom It May Concern (Docket EL18-003, Docket EL18-019)

As a concerned and active community member, I am writing to strongly protest the nearby Dakota Range Wind, the Apex Clean Energy wind project, located in Codington and Grant counties, South Dakota.

I DO NOT support Dakota Range Wind because it is not in alignment with Codington County Ordinance 65 dated 3-27-17 "...adopted to protect and to promote the public health, safety, peace, comfort, convenience, prosperity and general welfare..."

I DO NOT support Dakota Range Wind because it is not in alignment with Grant County Compiled Zoning Ordinance dated 1-25-2018 Section 103 "... adopted for the promotion of the public health, safety, morals, or general welfare..."

I DO NOT support Dakota Range Wind because its developer, Apex Clean Energy, has not used honest business practices in its attempt to achieve its land leases and dissemination of information to the public.

Additional Comments:

I have lived here my whole life and hate the thought of 500' towers cluttering up our countryside... I enjoy the wildlife we have, and the peace + quiet... and we are seeing more bald eagles each year? Wish more people cared about the natural beauty

Sincerely,
