Crowned Ridge Wind II, LLC

Subject: Notice of Public Hearing for the Crowned Ridge II Transmission Line

The South Dakota Public Utilities Commission (SD PUC) will hold a public hearing for Crowned Ridge Wind II, LLC's proposed Crowned Ridge II Transmission Line and (the "Project") Facility Permit (Docket EL18-019). The hearing will be held on May 30, 2018, at 5:30 p.m., CDT, at Waverly-South Shore School Gymnasium, 319 Mary Place, Waverly, South Dakota. (Attachment 1 SD PUC Notice)

The Project consists of an approximately 7-mile 230-kilovolt transmission line that is needed to deliver the energy created from the proposed Crowned Ridge Wind II to another transmission line that then delivers the wind energy to the Big Stone South Substation (Attachment 2 is a map of the Project, which is also Exhibit 1 to the Application).

You are receiving this notice, because South Dakota state law requires that landowners within 1/2 mile of a proposed project be notified of this public hearing. If you wish to review the Facility Permit application in person, copies will be on file with the Auditor of Codington. You can also access the application online at the South Dakota Public Utilities Commission website: <http://puc.sd.gov/Dockets/Electric/2018/el18-019.aspx>

Enclosures

On April 11, 2018, the South Dakota Public Utilities Commission (Commission) received a facility permit application (Application) from Crowned Ridge Wind II, LLC (Crowned Ridge). Crowned Ridge proposes to construct an approximately 7-mile 230-kilovolt (kV) generation tie line and associated facilities from the collector substation at Crowned Ridge Wind II (CRW II) to a dead-end transmission structure adjacent to the collector substation at Crowned Ridge Wind (CRW) (Project). Utilizing a breaker position at the CRW collector substation, the 300 megawatts (MW) from CRW II will be aggregated with the 300 MW from the CRW collector substation and conjoined to the Crowned Ridge 230 kV generation tie line which will terminate at the reactive compensation substation adjacent to the Big Stone South Substation. The generation tie line will be located in Codington County, South Dakota. The Project is expected to be in service by December 31, 2019. Crowned Ridge estimates the total construction cost of the proposed 7-mile 230 kV transmission line and associated facilities to be approximately \$10 million.

Pursuant to SDCL 49-41B-15 and 49-41B-16, the Commission will hold a public input hearing on the Application and Project on May 30, 2018, at 5:30 p.m., CDT, at Waverly-South Shore School Gymnasium, 319 Mary Place, Waverly, South Dakota.

Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40, the parties to this proceeding are currently Crowned Ridge and the Commission. Any person residing in the area of the Project; each municipality, county, and governmental agency in the area where the Project is proposed to be sited; any non-profit organization formed in whole or in part to promote conservation or natural beauty, to protect the environment, personal health or other biological values, to preserve historical sites, to promote consumer interests, to represent commercial and industrial groups, or to promote the orderly development of the area in which the Project is to be sited; or any interested person, may be granted party status in this proceeding by making written application to the Commission. Applications for party status will be available at the public input hearing or may be obtained from the Commission's web site or by contacting the Commission. **Applications for party status must be received by the Commission on or before 5:00 p.m., CDT, June 11,**

2018. The Commission will also be accepting comments in writing from anyone, either by mail, personal delivery, or e-mailing the Commission right up until the time of the decision. You only need to apply for party status if you want to participate formally in the case by putting on actual testimony or other factual evidence, conducting discovery, cross-examining witnesses, making legal arguments, and to preserve your right to appeal to the courts if you do not believe the Commission's decision is legally correct.

Following the public input hearing, the Commission may schedule a formal evidentiary hearing conforming to SDCL Chapter 1-26 to consider any issues raised by any party, the Commission's staff, or the Commission itself. At such formal hearing, all parties will have the opportunity to appear, present evidence, and cross-examine the other parties' witnesses and exercise all other rights afforded by SDCL Chapters 1-26, 49-1, and 49-41B and ARSD Chapters 20:10:01 and 20:10:22, including rights of appeal to the courts. Absent a contested issue, the Commission will schedule the matter for decision at a regular or ad hoc meeting of the Commission.

For approval, Crowned Ridge must show that the proposed Project will comply with all applicable laws and rules, will not pose a threat of serious injury to the environment nor to the social and economic condition of inhabitants or expected inhabitants in the siting area, will not substantially impair the health, safety or welfare of the inhabitants, and will not unduly interfere with the orderly development of the region with due consideration having been given to the views of governing bodies of affected local units of government. Based upon these factors, the Commission will decide whether a permit to construct should be granted, denied, or granted upon such terms, conditions, or modifications of the construction, operation, or maintenance as the Commission finds appropriate. It is therefore

ORDERED, that the Commission will hold a public input hearing on the Application and Project on **May 30, 2018, at 5:30 p.m., CDT, at Waverly-South Shore School Gymnasium, 319 Mary Place, Waverly, South Dakota.** It is further

ORDERED, that pursuant to **SDCL 49-41B-17 and ARSD 20:10:22:40**, applications for party status must be filed on or before **5:00 p.m., CDT, on June 11, 2018.**

Pursuant to the Americans with Disabilities Act, this hearing is being held in a physically accessible location. Please contact the Public Utilities Commission at 1-800-332-1782 at least 48 hours prior to the hearing if you have special needs so arrangements can be made to accommodate you.

Dated at Pierre, South Dakota, this 17th day of April 2018.
