Re: In the Matter of the Application of Crowned Ridge Wind, LLC  
for a Facility Permit to Construct a 230kV Transmission Line  
Docket EL18-019

Dear Ms. Van Gerpen:

In accordance with paragraph 30 of the Terms and Conditions of the Settlement Stipulation approved by the South Dakota Public Utilities Commission ("Commission") and included as part of its February 5, 2019, Order Granting Joint Motion for Approval of Settlement Stipulation; Order Approving Settlement Stipulation and Order Granting Permit to Construct Transmission Facility and Notice of Entry ("Order") in the above-referenced docket, Crowned Ridge Wind, LLC "(Crowned Ridge)" submits the enclosed documents:

1. Transmission Line Plan and Profile;
2. Final Site Plan; and
3. Certificate of Service.

There have been no changes from the project layout as set forth on Exhibit 12 other than the elimination of two poles. The project will now utilize a total of 32 rather than 34 poles. The project will use the same laydown yard as identified in EL 17-050.  
If you have any questions, please contact me.

Yours very truly,

Ms. Patricia Van Gerpen
