Ms. Van Gerpen,

Attached for filing, please find Staff's Post-Hearing Brief in both confidential and public form. In the public form, certain portions of the Ice Throw section have been redacted to protect information obtained from Exhibit A34, which was filed confidentially upon request of the manufacturer.

By copy of this correspondence, all parties are being served with the public version of the brief, and those parties with access to Exhibit A34 are being served with the confidential version, as well.

Sincerely,

Kristen N. Edwards
Staff Attorney
