

To Whom It May Concern,

As a community member, I am writing to you to express my support for Dakota Range 3 Wind, a project located in Roberts and Grant Counties.

- I support Dakota Range 3 Wind because it will benefit our local economies that can help schools, first responders and taxpayers.
- I support Dakota Range 3 Wind because it will protect our clean air and water, while providing jobs and investment for our community.
- I support Dakota Range 3 Wind because the developers have been transparent and responsible with the community.

Sincerely,

I am a land owner in the footprint of Dakota Range 3. I have lived here all my life and I am 67 years old, my wife and I raised two boys here and love this community. We support this wind project for many of the economic reasons brought up at the hearing at Summit school on 12-19-18. Thank you Bruce & Diane Kneeland
