Regarding PUC Docket EL18-053 – Deuel Harvest North Wind Farm

Dear South Dakota Public Utility Commission,

My name is Dana Bindert. I've lived in Deuel County for 40 years. I have farmed for 5 years and my dad has farmed for 50 years. I support the towers because it will be a great benefit to many farmers to help the Ag. Industry. It will also benefit the county by many things. Not only will the towers bring in jobs but also support families with an extra income. This is one of the best things that can happen to Deuel County. We support the wind tower/Deuel Harvest North Wind Farm. We ask that you also support the wind towers! Thank you for your consideration.

Sincerely,

Dana, Tiffany
