Mr. Hoeke,

Thank you for sharing your views about the Deuel Harvest transmission and wind siting permit request currently open before the South Dakota Public Utilities Commission. I appreciate the struggles you and your family have experienced due to weather events and a volatile farm economy. Your views will be considered as the commission works through the permit review.

I encourage you to follow along as this docket, EL18-053, is processed and new information is filed in the docket, <http://puc.sd.gov/Dockets/Electric/2018/EL18-053.aspx>. This Siting Guide helps explain the commission's processing of siting dockets such as this: <http://puc.sd.gov/commission/dockets/electric/2018/el18-053/el18-053sitinghandout.pdf>.

Your message and my response will be posted under Comments and Responses in the docket.

Gary Hanson, Chairman

South Dakota Public Utilities Commission
