RE. Commission Actions, Commission Dockets  
Electric Dockets, 2018 Electric Dockets EL18-053

Dear Sirs:

I am a landowner in Altamont Township.  
I do not want any turbine generators in Deuel  
County or in S.D

they are ugly.

they are unhealthy.

they hurt water fowl.

they make noise and red lights blink.

Ice can fly off of them.

They take land away from the farmer.

All the electricity goes to big cities

like Chicago. They can build there own.

It doesn't make our bills go down.

Sincerely

EL18-053
