South Dakota Public Utilities Commission

I am writing asking that you
offer the needed permits for the
"Devel Harvest North Wind Farm"
so they can continue forward
with the project.

After hearing and studying pros
and cons, the benefits far out
weigh. I have farmed for
over 20 years and to have wind
Turbines would be a huge financial
asset to myself and many others
that would benefit.

Subject: PUC Docket EL18-053
Devel Harvest North Wind Farm

Thanks Gene
