Mr. Van Steenberg,

Thank you for your email regarding the Deuel Harvest transmission and wind siting permit request pending before the South Dakota Public Utilities Commission. I appreciate you sharing your views on the proposed projects. One of your concerns is setbacks and while that is in the jurisdiction of the counties it will probably be discussed during the hearings. Your other comments will also be considered during the permitting process.

Your message and my response will be posted under Comments and Responses in this docket, EL18-053. You may view the full docket online at <http://puc.sd.gov/Dockets/Electric/2018/EL18-053.aspx>. This Siting Guide helps explain the commission's processing of this docket, <http://puc.sd.gov/commission/dockets/electric/2018/e118-053/e118-053sitinghandout.pdf>.
