PERMIT OF A WIND ENERGY FACILITY IN GRANT COUNTY AND CODINGTON
COUNTY, SOUTH DAKOTA, FOR THE DAKOTA RANGE WIND FARM
DOCKET NO. EL18-003

Dear Ms. Van Gerpen:

Northern States Power Company, doing business as Xcel Energy (NSP or the Company), submits this unredacted road use permit to the Commission for the 302.4 MW wind energy conversion facility located in Grant and Codington Counties South Dakota known as the Dakota Range I & II Wind Energy Facility.

On July 31, 2020, the Company submitted a preconstruction filing to the Commission that provided permits obtained as Attachments A through L. In that filing, Attachment I – the Codington County Country Road Use Agreement – was marked as a Confidential document. Since filing, the Company has discussed this Attachment with Codington County and can now provide the document as a fully public attachment. The unredacted version of Attachment I is provided with this filing.
