Interim Rates Bill Message

Otter Tail Power Company Interim bill message – Docket No. EL18-___

On April 20, 2018, Otter Tail Power Company submitted an application to increase South Dakota rates. Under South Dakota law 49-34A-17, we have increased rates on an interim basis. The net impact of the increase is 7.17%. This increase is subject to refund with interest and will be included on your bill until the South Dakota Public Utilities Commission approves final rates. For more information, visit otpc.com/SDRateReview or call 800-257-4044.
