All sections 9.01 – 14.13	Electric rate schedules	<p>Consistent changes to all these rate schedules include:</p> <ul style="list-style-type: none"> Updated Revision number. In the Description boxes, changed from rate level “71” to rate level “72”. Capitalized the first letter of words that are defined in Section 8.01 – Glossary.
9.01	Residential Service	<ul style="list-style-type: none"> In the rate box, removed the designation of two levels of kWh charges, “First 500” and “Excess”, as the rate design is changing to a single kWh charge. Under <i>Seasonal Residential Service</i> on Sheet 2, item 2., in paragraph 3 added “at the option of the Company” when determining Seasonal eligibility and removed paragraph 4 regarding bills "rendered on a two-

Section No.	Section Description	Changes
9.01 (con't)		month basis" as this is no longer applicable. <ul style="list-style-type: none"> • Rate changes, including the fixed seasonal charge on Sheet 2.
9.02	Residential Demand Control Service	<ul style="list-style-type: none"> • Rate changes.
9.03	Farm Service	<ul style="list-style-type: none"> • In the rate box, added the additional Facilities Charge for Single-phase. • In the rate box, removed the designation of two levels of kWh charges, "First 1,600" and "Excess", as the rate design is changing to a single kWh charge. • Rate changes.
9.04	Residential Time of Day Service - Pilot	<ul style="list-style-type: none"> • New Rate Schedule.
10.01	Small General Service (Under 20 kW)	<ul style="list-style-type: none"> • Under <i>Application of Schedule</i> section on Sheet 1, added "dusk to dawn" to clarify the hours of use under this schedule. • In the rate box, removed the designation of two levels of kWh charges, "First 2,000" and "Excess", as the rate design is changing to a single kWh charge. • Under <i>Seasonal Small General Service</i> section on Sheet 2, item 2., removed paragraph 4 regarding bills "rendered on a two-month basis" as this is no longer applicable. • Removed the section <i>Determination of Demand</i> as it is not applicable to this schedule. • Rate changes, including the fixed seasonal charge on Sheet 2.
10.02	General Service (20 kW or Greater)	<ul style="list-style-type: none"> • Under <i>Application of Schedule</i> section on Sheet 1, added "dusk to dawn" to clarify the hours of outdoor lighting use under this schedule. • In the rate box on the Monthly Minimum Bill line, added "+ Facilities" and "+ Low Load Factor Demand", due to changing of billing for facilities charges and low load factor demand charges. • In the rate box, added the Facilities Charge section as this is a new charge to this schedule. • In the rate box, added the Low Load Factor Demand Charge section as this is a new charge to this schedule. • Added the <i>Determination of Low Load Factor Demand</i> section on Sheet 2 for details on the Low Load Factor charge. • Added the <i>Determination of Facilities Charge</i> section on Sheet 2 for the details on the Facilities charge.

Section No.	Section Description	Changes
10.02 (con't)		<ul style="list-style-type: none"> • Rate changes.
10.03	General Service - Time of Use	<ul style="list-style-type: none"> • In the rate box on the Monthly Minimum Bill line, added "+ Low Load Factor Demand", due to changing the billing for low load factor demand charges. • In the rate box, on the Facilities Charge line, modified the wording to "(minimum 20 kW)" for consistency. • In the rate box, on the Demand Charge per kW added "(minimum 20 kW)" for consistency. • In the rate box, added the Low Load Factor Demand Charge section as this is a new charge to this schedule. • Added "during each period of the Declared-Peak, Intermediate and Off-Peak periods" to the <i>Metered Demands</i> section on Sheet 2 to add clarification on how demands are measured for multiple periods. • Added the <i>Determination of Low Load Factor</i> section on Sheet 2 for details on the Low Load Factor charge. • Under the <i>Definition of Declared, Intermediate and Off-Peak Periods by Season</i> section on Sheet 2, modified the Winter Off-Peak definition removing "Saturday from" and adding "Friday between hours"; removing "all day Sunday" and adding "on weekends between hours 10:00 p.m. to 6:00 p.m.". • Under the same section carried over to Sheet 3, modified the Summer Off-Peak definition removing "Saturday from" and adding "Friday between hours"; removing "all day Sunday" and adding "on weekends between hours 10:00 p.m. to 6:00 p.m.". • Rate changes.
10.04	Large General Service	<ul style="list-style-type: none"> • Under <i>Application of Schedule</i> section on Sheet 1, added "dusk to dawn" to clarify the hours of outdoor lighting use under this schedule. • In each of the rate boxes for Secondary, Primary and Secondary, on the Facilities Charge line, modified the wording to "per annual Maximum kW) (minimum 80 kW)" for consistency. • In each of the rate boxes, on the Demand Charge per kW line, modified to read "(minimum 80 kW)" for consistency. • Rate changes.

Section No.	Section Description	Changes
10.05	Large General Service - Time of Day	<ul style="list-style-type: none"> • In each of the rate boxes for Secondary, Primary and Transmission Services, on the Facilities Charge line, modified the wording to “per annual Maximum kW) (minimum 80 kW)” for consistency. • Under the <i>Definition of On-Peak, Shoulder and Off-Peak Periods by Season</i> section on Sheet 2, modified the Winter On-Peak definition adding “hours” for effective hours, replacing “and” with “to”, and removing “12:00 noon, and between 5:00 p.m. and 9:00 p.m.” and replacing with “11:00 a.m.” for Monday through Friday use. • Under the same section, modified the Winter Shoulder definition adding “between” for effective hours, removing “hours 12:00 noon to 5:00 p.m. and hour 9:00 p.m.” and replacing with “11:00 a.m.” for Monday through Friday use, and removing “Saturday through Sunday” and replacing with “on weekends between hours” for weekend use. • Under the same section, modified the Winter Off-Peak definition adding “between” for effective hours, removing “Saturday and Sunday all hours except 6:00 p.m. to 10:00 p.m.” and replacing with “on weekends between hours 10:00 p.m. to 6:00 p.m.”. • Under the same section carried over to Sheet 4, modified the Summer On-Peak definition adding “hours” designation for effective hours, replacing “and” with “to” for Monday through Friday use. • Under the same section, modified the Summer Shoulder definition adding “between hours” for effective hours, replace “9:00” with “11:00” for Monday through Friday use, removing “Saturday and Sunday all hours except 9:00 a.m. to 10:00 p.m.” and replacing with “on weekends between hours 10:00 p.m. to 11:00 a.m.”. • Rate changes.
10.06	Super Large General Service	<ul style="list-style-type: none"> • New Rate Schedule.
11.01	Standby Service	<ul style="list-style-type: none"> • In the <i>Availability</i> section on Sheet 1, modified the first sentence, breaking it into two for clarity. • In the <i>Availability</i> section under item 2., included the name of “Definitions and Useful Terms” for the section name referenced on Sheets 5 through 8. • In the <i>Availability</i> section, added item “3. Enters into a

Section No.	Section Description	Changes
11.01 (con't)		<p>contract for services related to its Generator. Contracts will be made for this service provided the Company has sufficient Capacity available in production, transmission and Distribution Facilities to provide such service at the location where the service is requested.”.</p> <ul style="list-style-type: none"> • Under <i>Definitions and Useful Terms</i> section on Sheet 6, removed the definition for MAPP as it is no longer applicable. • Under <i>Definitions and Useful Terms</i> section, updated the definition for MISO to the proper name and more accurate definition. • Under <i>Definitions and Useful Terms</i> section on Sheet 7, relocated the definition for Summer Season and placed Summer On-Peak, Shoulder, and Off-Peak below. Modified the Summer On-Peak definition by removing the “Summer Season” designation, adding “hours” designation for effective hours, replacing “and” with “to” for Monday through Friday use. Modified the Summer Shoulder definition by removing the “Summer Season” designation, adding “between hours 11:00 a.m.” replacing “9:00 a.m.” for Monday through Friday use, removing “Saturday through Sunday 9:00 a.m.” and replacing with “on weekends between hours 11:00 a.m.”. Modified the Summer Off-Peak definition to be more specific by removing the “Summer Season” designation, removing the current definition and replacing with “For all kW and kWh used Monday through Friday between hours 10:00 p.m. to 11:00 a.m. and on weekends between hours 10:00 p.m. to 11:00 a.m.”. • Under <i>Definitions and Useful Terms</i> section on Sheet 8, modified the Winter On-Peak definition by removing the “Winter Season” designation, adding “hours” designation for effective hours, replacing “and 12:00 noon, and between 5:00 p.m. and 9:00 p.m.” with “to 11:00 a.m.” for Monday through Friday use. Modified the Winter Shoulder definition by, removing the “Winter Season” designation, adding “between”, replacing “hours 12:00 noon to 5:00 p.m. and hour 9:00 p.m.” with “11:00 a.m.” for Monday through Friday use, and replacing “Saturday through Sunday” with “on weekends between hours”. <p>Relocated Winter Off-Peak to below Winter Shoulder</p>

Section No.	Section Description	Changes
11.01 (con't)		<p>Modified the Winter Off-Peak definition to be more specific by removing the “Winter Season” designation, removing the current definition and replacing with “For all kW and kWh used Monday through Friday between hours 10:00 p.m. to 6:00 a.m. and on weekends between hours 10:00 p.m. to 6:00 p.m.”.</p> <ul style="list-style-type: none"> • Rate changes.
11.02	Irrigation Service	<ul style="list-style-type: none"> • In the <i>Definition of Declared, Intermediate and Off-Peak Periods by Season</i> section on Sheet 2, added “(see Declared-Peak Notification)” to the description of Declared-Peak for both Winter and Summer. Modified the Winter Off-Peak timeframe from Monday through “Saturday” to Monday through “Friday between hours” and replaced “all day Sunday” with “on weekends between hours 10:00 p.m. to 6:00 p.m.”. Modified the Summer Off-Peak timeframe from Monday through “Saturday from 10:00 p.m. to 6:00 a.m.” to Monday through “Friday between hours 10:00 p.m. to 11:00 a.m.” and replaced “all day Sunday” with “on weekends between hours 10:00 p.m. to 11:00 a.m.”. • Added the <i>Declared-Peak Notification</i> section on Sheet 3 defining the rules around notification requirements for the declared-peak designation. • Rate changes.
11.03	Outdoor Lighting - Energy Only	<ul style="list-style-type: none"> • Added “<i>RULES AND</i>” to the first section on Sheet 1 currently called <i>Regulations</i>. • Rate changes.
11.04	Outdoor Lighting	<ul style="list-style-type: none"> • Included the designation of "Closed to New Installations and Replacements" for each Rate Code within the Description area, as the rates proposed within the new LED Schedule 11.07 will provide service for company owned Outdoor Lighting upon approval. New installations of lights under 11.04 would no longer be allowed. • Added “<i>RULES AND</i>” to the first section on Sheet 1 currently called <i>Regulations</i>. • Rate changes, including the fixed seasonal charge and underground service change on Sheet 2.
11.05	Municipal Pumping	<ul style="list-style-type: none"> • Added “<i>RULES AND</i>” to the first section on Sheet 1 currently called <i>Regulations</i>. • In rate box, modified the wording for the Facilities Charge to “per annual maximum kW:” and added the
