Data Request:

Explain the difference in the Actual 2017 Utility Test Benefit/Cost Ratio from Appendix A, Table 2 and Appendix A, Table 3.

Attachments: 1

Attachment 1 to DR SD-PUC-01-05.pdf

Response:

The difference in the Actual 2017 Utility Benefit/Cost Ratio from Appendix A, Table 2 and Appendix A, Table 3 was caused by Appendix A, Table 3 mistakenly excluding the costs associated with the Advertising and Education Program and the Development Program. Please see Attachment 1 to DR SD-PUC-01-05 for the revised Appendix A, Tables 2 and 3.
