**Re: EL18-024 In the Matter of the Request for Approval of an Electric Service Territory Boundary Agreement between the City of Sioux Falls and Northern States Power Company dba Xcel Energy**

Dear Ms. Van Gerpen:

This letter is submitted in regard to the ongoing efforts of the PUC to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. Northern States Power dba Xcel Energy and City of Sioux Falls entered into a May 7, 2018 Agreement with exhibits verifying and updating the boundaries of the established assigned service territory between the parties.

Following submission of the agreement PUC Staff identified areas in the submitted exhibits which required clarification. Both parties agree to the changes made by PUC Staff. Accordingly, the Agreement is amended with the changes in Exhibits recommended by Staff, as attached.

Commission Staff requests the Commission approve this agreement with accompanying mapping data.

Sincerely,

*Lorena Reichert*
