**RE: AMENDED ATTACHMENTS COMPLIANCE FILING – STIPULATION
SETTLEMENT DOCKET NO. EL18-029**

Dear Patricia:

In discussion with Commission Staff, I hereby provide the following amendments to the above referenced Docket:

Attachment 2 – page 2, lines 12 and 13: the energy charge for Small General Service was changed from \$0.06030 to \$0.06026 / kWh. This change can be found in the attached “Amended Attachment 2”.

“Amended Attachment 3” contains the change referenced above to Attachment 2, which is on page 7 of the proposed tariff changes. This amendment also contains two changes to the original filed legislative pages 22 and 36. The clean pages 22 and 36 in the original filing are correct and should remain as filed. The change made to the legislative page 22 was for the High Pressure Sodium Vapor, 9,500 Lumen Energy Service Rate. In the original filing the original rate of \$2.695 to be redlined was incorrect – it should have been \$2.95. The additional 6 that was redlined was removed. Page 36 was changed so the symbol was change from “I” to “R”, to signify a reduction in rate vs an increase in rate.

Please contact me if you have any questions.

Sincerely,

Jason S. Keil
