Cc: Sabers, Cathy
Subject: In the Matter of the Complaint of Energy of Utah, LLC and Fall River Solar, LLC Against Black Hills Power Inc. (Docket No. EL 18-038)

Kristen and Bill,

Below is the proposed Procedural Schedule in this matter:

Energy of Utah, LLC and Fall River Solar, LLC Avoided Cost Testimony	November 15, 2018
Energy of Utah other testimony if necessary	December 15, 2018
Black Hills Responsive (All Testimony)	January 30, 2019
Staff Testimony (All testimony)	March 30, 2019
Complete Discovery	April 20, 2019?
Pre-hearing Motions Deadline	April 30, 2019
Pre-hearing Motion Hearing	May 14, 2019
Evidentiary Hearing	June 4-5, 2019

The deadline for final discovery to all parties was not discussed so the April 20, 2019 deadline is a suggested date.

All though we discussed providing other testimony (i.e. site control, interconnection agreement, timing of correspondence) separately we did not discuss a date for such other testimony. I have a placeholder in case that is necessary. I also remain concerned about the turn-around between staff testimony and completion of discovery. I welcome your thoughts in that regard.

Kylie Griffith, Paralegal
On behalf of Cathy Sabers
