**MOTION TO WITHDRAW
APPLICATION**

COMES NOW, the Applicant, by and through Brett Koenecke of May, Adam, Gerdes & Thompson LLP, hereby moves to withdraw the application in the above-captioned docket.

In support of its motion, the Applicant states that the docket was kept open in the event that some usefulness for the prior docket activity would present itself given the expected activity in the project area. That activity has not shown a need for this docket, to date, and as of this date, such activity would require amendments to the application and attachments such that proceeding might result in more confusion than clarity.

Therefore, Applicant respectfully requests that the Board grant this Motion to Withdraw Application.

Dated this 23rd day of March 2020.
