

## **Time Schedule (ARSD § 20:10:22:22) – Revised December 14, 2018**

---

The Applicants expect to begin construction of the Project once all required permits or approvals are in place, all landowner agreements have been finalized, and final design has been completed. The Applicant anticipates commencement of construction in the second quarter of 2019, with an expected in-service date in the third quarter 2020, pending related permitting and approvals. The following table indicates a general permitting/approval and construction time schedule for the Project. The estimated schedule is based upon currently known information and planning assumptions.

### **Estimated Project Time Schedule**

<b>Project Activity</b>	<b>Anticipated Time Schedule</b>
Landowner Easement Negotiations	On-going through 1 <sup>st</sup> quarter 2019
SD PUC Facility Permit Review	3 <sup>rd</sup> quarter 2018 to 2 <sup>nd</sup> quarter 2019
Deuel County Permit Review	1 <sup>st</sup> quarter 2019 to 2 <sup>nd</sup> quarter 2019
Detailed Project Design (Transmission Line, Project Substation, POI/Switching Area)	1 <sup>st</sup> quarter 2019
Finalize Easement Acquisitions	2 <sup>nd</sup> quarter 2019
Project Construction	2 <sup>nd</sup> quarter 2019 to 3 <sup>rd</sup> quarter 2020
In-Service	3 <sup>rd</sup> quarter 2020
