Dear Nathan Thomas:

Thank you for submitting the Contractor Authorization form under the South Dakota General Permit for Stormwater Discharges Associated with Construction Activities. This letter grants you coverage under this general permit for the project listed below in Deuel County, SD. This coverage does not relieve you from complying with other state and local requirements or from obtaining other required permits. As a contractor doing dirt work and/or responsible for erosion and sediment control at the site, you are a co-permittee and must comply with the conditions of the general permit.

You must maintain your site in compliance with the permit conditions. Refer to Section 3.0 for effluent limits and Section 4.0 for Stormwater Pollution Prevention Plan requirements. The Permit Number for this project is **SDR10J686**. Please refer to this number in all future correspondence.

Project Information (Please check to be certain this information is correct):
