Description:                               **Wind Farm**

Height Above Ground:                 **499 ft.**

Geographic Coordinates:             **Lat: See FAA Airspace Case, Lon: See FAA Airspace Case**

The authority for review of construction proposals which may affect airspace within the state has been delegated to the Office of Air, Rail and Transit.

Upon receiving and reviewing the FAA Airspace Case #'s listed above it has been determined that the FAA has issued Determinations of No Hazard to Air Navigation. The Aeronautics Commission has been notified of this proposed project on December 26, 2019 and as per SDCL 50-9-1 a South Dakota Aeronautical Hazard Permit is not required.

Any changes to either the locations or the overall heights of the proposed project must be submitted to our office for re-evaluation.

Please contact me at (605)773-3764 or via email at [thomas.koch@state.sd.us](mailto:thomas.koch@state.sd.us) if you have any questions or comments.

Sincerely,
