Dear Ms. Van Gerpen:

In Condition 36 of the South Dakota Public Utilities Commission’s (“Commission”) May 30, 2019 Final Decision and Order Granting Permit to Construct Facilities; Notice of Entry, the Commission directed Deuel Harvest Wind Energy LLC (“Deuel Harvest”) to file an escrow agreement with the Commission for a decommissioning escrow account at least 60 days prior to commencement of commercial operation. The requirements for the escrow agreement are contained in subparts a-j of Condition 36.

The enclosed proposed decommissioning Escrow Agreement meets all of the plan requirements in subparts a-j. Deuel Harvest requests that the Commission approve the Escrow Agreement and find that Deuel Harvest has complied with Condition 36.
