

EL18-053 - In the Matter of the Application of Deuel Harvest Wind Energy LLC for a Permit of a Wind Energy Facility and a 345-kV Transmission Line in Deuel County

Intervenor Heath Stones letter in Support of Motion for Denial

I, Heath Stone, support Intervenor Christina Kilby's motion for the South Dakota Public Utilities Commission to deny and dismiss the Application to the South Dakota Public Utilities Commission (SDPUC) for Energy Facility Permits submitted by Deuel Harvest Wind LLC (Applicant) on November 30, 2018.

The applicant has not secured a permit for the project from Deuel County. The application submitted to the SDPUC has numerous flaws and is not consistent with the setbacks stated in the application with the placement of turbines. The issues of concern that are stated by Ms. Kilby, show that the application is incomplete and should be dismissed.

Please deny the application due to its incompleteness and inaccurate information submitted to the SDPUC.

Respectfully,

Heath Stone
