Re: EL18-054 In the Matter of the Request for Approval of an Electric Service Territory Boundary Agreement between Central Electric Cooperative, Inc. and NorthWestern Corporation dba NorthWestern Energy

Dear Ms. Van Gerpen:

This filing is submitted in regard to the ongoing efforts of the PUC to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. Central Electric Cooperative and Northwestern Energy entered into a December 3, 2018 Agreement with exhibits verifying and updating the boundaries of the established assigned service territory between the parties.

Following submission of the agreement PUC Staff identified areas in the submitted exhibits which required clarification. Both parties agree to the changes made by PUC Staff. Accordingly, the Agreement is amended with the changes in Exhibits recommended by Staff, as attached.

Commission Staff requests the Commission approve this agreement with accompanying mapping data.

Sincerely,

Lorena Reichert

The parties agree to and accept the changes in the Exhibits recommended by Staff, as attached.
