RE: EL18-059- IN THE MATTER OF THE APPLICATION OF LOOKOUT SOLAR PARK I, LLC FOR A PERMIT OF A SOLAR ENERGY FACILITY IN OGLALA LAKOTA COUNTY

Ms. Van Gerpen,

Based on the discussion during the December 9, 2019, Commission meeting, the parties in the above-captioned matter have been working to revise the settlement stipulation and bring additional information to the Commission. While Staff had every intent to discuss a revised settlement stipulation at the January 21, 2020, Commission meeting, Lookout Solar Park I, LLC is still working to provide additional information and execute the revised settlement stipulation. This will be filed as soon as possible.

Based on this unforeseen delay, and to provide the Commission with adequate time to review the filing, Staff would support deferring this matter to a later Commission meeting.

Thank you for your time and attention to this matter. Please feel free to contact me should you have any questions or concerns.

Sincerely,

Amanda M. Reiss
