**RE: In the Matter of Otter Tail Power Company's Tariff Revisions to Section 11.07
South Dakota Docket No. EL19-038**

Dear Ms. Van Gerpen:

Otter Tail Power Company (Otter Tail) submits this supplemental filing to provide additional details for the requested updates to Rate Schedule, Section 11.07, of our Tariff Book filed on October 24, 2019.

Otter Tail requests the rate codes S732, S734 and S735 in the rate codes box at the top of Sheet 1 be removed as our new billing system does not require charges to be broken out like our Legacy system did. On Sheet 1 the reduction to the prices for Aluminum Alloy Poles: Standards 30', Standards 40', LED Flood Visors: Lighting Visor LED 20-Flood, and Lighting Visor LED 30-Flood were necessary as the prices reflected in the South Dakota Rate Case Compliance Filing dated July 22, 2019 in Docket EL18-021 were inadvertently copied from an incorrect column on Statement I. All other tariffed prices have been verified and are considered accurate. Additionally, Otter Tail has added change code "L" to Sheet 3 to reflect the movement of lines from Sheet 3 to Sheet 2 due to the removal of the above-mentioned rate codes on Sheet 1. Attached to this filing is the redline and clean version of Sheets 1, 2, and 3 reflecting this change.

As stated in Otter Tails October 24th filing in this Docket none of these items have impacted customer bills.

Sincerely,

/s/ MICHELLE GUNDERSON
