Ms. Patricia Van Gerpen
Executive Director South Dakota Public Utilities Commission
500 East Capital Ave Pierre, SD 57501

Dear Ms. Patricia Van Gerpen:

On January 2, 2020 Commission Staff filed a letter recommending the Complaints filed by Intervenors, be treated as consumer complaints. The Complaints filed since December 30, 2019 against CRW were not complaints seeking damages. The complaints are concerning violations of law.

The Commission is the regulatory agency with the responsibility to enforce the conditions of the ORDER and the law.

Considering the numerous violations, the Intervenors request the Commission to revoke the ORDER.

It is very concerning that; the Commission will be going forward with the CRWII evidentiary hearing on February 4, 2020. CRW did not construct the Facility as described to the public, counties, or the Commission.

Please place this on the Commissioners Meeting Agenda for February 18, 2020.

Sincerely,

/s/ Amber Christenson, Allen Robish,
Patrick Lynch, Melissa Lynch and
Kristi Mogen

Attached Motion to Revoke and 10 Exhibits.
