Re: Docket No. EL19-003
Application to the SD PUC for a Facility Permit to Construct
A 300 Megawatt Wind Facility

Dear Ms. Van Gerpen:

Crowned Ridge Wind, LLC (Crowned Ridge) is providing notice that it has completed the installation of low noise tailing edge (LNTE) attachments on all turbine blades. Pursuant to the Order Granting a Temporary Waiver, Crowned Ridge will conduct a post-LNTE sound study in accordance with Condition No. 26 of the Final Order.

Crowned Ridge is also filing this notice in EL19-027 to show it has complied with Condition No. 47 that requires all LNTEs to be installed on Crowned Ridge before the commercial operations of Crowned Ridge II wind project.

Sincerely,

LYNN JACKSON, SHULTZ & LEBRUN, P.C.

Miles F. Schumacher
