Subject: [EXT] Docket EL 19-003

Dear PUC Commissioners and Staff,

I am writing to voice my strong opposition to the waiver request of Crowned Ridge Wind.

As a person who lives near this project, I demand the commission enforce every provision in the permit. There was a process and decisions were made and agreed to. We expect compliance. I do not want to live by these wind turbines but now they can't even get in compliance. This is a **travesty** if they are allowed to be constructed without being in compliance not only to our county but to the state of SD.

Sincerely,
