Subject: [EXT] Docket EL 19-003

Dear PUC Commissioners and Staff,

We are strongly opposed to the waiver request of
Crowned Ridge Wind.

Crowned Ridge Wind is NOT in compliance with the permit issued by
the PUC. They are not even CLOSE to being in compliance. The commission has to enforce every
provision in the permit. There was a process and
decisions were made and agreed to. We expect full compliance.

Sincerely,

Tom and Cindy Thomas
