**SDPUC Request No. 3.1:**

Will BHE need any road use agreements with Rapid City or Pennington County in order to operate heavy construction equipment and move heavy materials on roads in the construction area? Explain.

**Response to SDPUC Request No. 3.1:**

Black Hills does not foresee the requirement for any road use agreements with the City of Rapid City and/or Pennington County. All heavy equipment will only be operated on Company owned property and will not be operated on public streets or roads during the construction period. All hauling required will be within county and state legal limits.
