

## An update to your bill

We are committed to providing safe, reliable energy whenever you need it. The South Dakota Public Utilities Commission has approved a Transmission Cost Recovery charge that results from upgrades to regional transmission equipment.

A change to the Transmission Cost Recovery charge you are assessed on your energy bill goes into effect starting with the April 2019 bills. On your monthly bill, the Transmission Cost Recovery charge is listed as a separate line item under Electric Charges.

Here is how the change may impact your bill:

Rate GE

| Usage (kWh) | Prior Rates                           |                |           |            | New Rates                             |              |         |          | Amount of Bill Decrease | Percent Decrease |
|-------------|---------------------------------------|----------------|-----------|------------|---------------------------------------|--------------|---------|----------|-------------------------|------------------|
|             | Sample Bill Amount Without TCR Charge | Prior TCR Rate | Prior TCR | Prior Bill | Sample Bill Amount Without TCR Charge | New TCR Rate | New TCR | New Bill |                         |                  |
| 500         | \$61.83                               | \$ 0.00205     | \$1.03    | \$62.86    | \$61.83                               | \$ 0.00172   | \$0.86  | \$62.69  | -\$0.17                 | -0.27%           |
