Dear Andrew Young:

Thank you for submitting your Notice of Intent for the South Dakota General Permit for Stormwater Discharges Associated with Construction Activities. This letter grants you coverage under this general permit for the project listed below in Hand County, SD. This coverage does not relieve you from complying with other state and local requirements or from obtaining other required permits. **All contractors who will be doing dirt work or who will be responsible for implementing sediment and erosion controls must submit a Contractor Authorization form identifying the contractor.** The contractor will then be considered a co-permittee and will also be responsible for complying with the general permit.

You must maintain your site in compliance with the permit conditions. Refer to Section 3.0 for effluent limits and Section 5.0 for Stormwater Pollution Prevention Plan requirements. Your project's Permit Number is **SDR10K896**. Please refer to this number in all future correspondence.

Effective Date: **April 4, 2023**

SDDANR is in the process of reissuing the General Permit, which expired on March 31, 2023. The General Permit is administratively continued until an updated General Permit is issued. This letter grants you full coverage under the current administratively continued General Permit.

Thank you for preserving the natural resources of South Dakota. If you have any questions or need any guidance, please contact the stormwater team at 1-800-737-8676 or by email at [stormwater@state.sd.us](mailto:stormwater@state.sd.us).

Sincerely,
