RE: EL19-012 (Sweetland Wind Farm)

Dear South Dakota Public Utilities Commission,

We are landowners within the above project area. Having attended the public meeting in Miller in April, we understand the concerns some citizens have voiced regarding Sweetland Wind Farm and Scout Energy. However, our dealings with the company and the project have led to full confidence and support of the project. We do hope the PUC approves the proposal and allows us landowners the chance to support renewable energy and generate revenue for the area.

Sincerely,

Matt & Heather Bearner
Mellott, SD
