RE: EL19-012 (Sweetland Wind Farm)

Dear South Dakota Public Utilities Commission,

I am a landowner in the Sweetland Wind Farm and want the PUC to approve Sweetland's application so the project can receive its permit. Wind in South Dakota is a natural source of energy and it only makes sense to utilize it through wind turbines.

Please, approve Sweetland's application now so we can move forward with this important energy project.

Sincerely,

Ray Major
