RE: EL19-012 (Sweetland Wind Farm)

Dear South Dakota Public Utilities Commission,

We believe the Proposed Sweetland wind farm would benefit South Dakota, Hand County, Hulbert and Rosehill townships the schools, land owners and even local business owners.

Hand County needs some kind of industry to help all property owners by hopefully keeping ~~our~~ <sup>our</sup> property taxes from escalating every year

We are very much in favor of renewable sources of energy. We have the wind let us share it with those need the power

Thank You.

Sincerely,

Joan Horsley
