Re: Sweetland Wind Farm, Hand County, South Dakota

Dear Myrtle A. Van Asperen,

The Sweetland Wind Farm is currently in the public comment period at the Public Utilities Commission (PUC) and we want your voice to be heard. We are encouraging all the project's landowners and stakeholders to write letters of support.

The letter does not have to be long, but we encourage you to say that you are a landowner or stakeholder in the Sweetland Wind Farm, and you want the PUC to approve Sweetland's application so the project can receive its' permit.

We are enclosing a sheet of paper that you can handwrite your comment on, place in the self-addressed stamped envelope and drop in the mail. If you want to submit a comment via e-mail you can do so to at puc@state.sd.us and include the docket number (EL19-012).

Additionally, we will be conducting cultural field studies beginning on May 21th. These studies will be conducted on foot in those areas where wind turbines and ancillary facilities are sited. If you have any questions, please call me directly on my cell phone at (757) 763-9489 and Mark Wengierski can also be reached directly on his cell phone at (832) 646-7730.

Again, thank you for your support of the Sweetland Wind Farm and **please make sure your voice is heard by submitting a letter of support.**

Sincerely,

*I am a land owner
and I support the
Sweetland Sweet Wind Farm*
