Data Request No. 1-18

Docket No.: EL19-019

Response To: South Dakota Public Utilities Commission

Requestor: Eric Paulson

Date Received: September 4, 2019

Question:

How is the proposed Saver's Switch program different than the currently effective Saver's Switch program?

Response:

The Residential Saver's Switch product will, for reporting and budget purposes in our 2020 South Dakota DSM Plan, be combined with AC Rewards (smart thermostat demand response) to form the Residential Demand Response program. However, the incentives and operations for the Saver's Switch product have not altered from previous filings.

Preparer: Patrik Ronnings

Title: Sr. Product Portfolio Manager
