Xcel Energy Data Request No. 2-1
Docket No.: EL19-019
Response To: South Dakota Public Utilities Commission
Requestor: Eric Paulson
Date Received: October 2, 2019

Question:

Refer to table 5 in the original application. If anything has changed on Table 5 due to the updated DSM filing provided in DR1-2, provide an updated Table 5.

Response:

Because the DR1-2 is a backward looking adjustment to the DSM Rider and Table 5 is a future forecast, the one does not impact the other. Therefore, there are no adjustments needed in Table 5.
