Xcel Energy Data Request No. 2-7
Docket No.: EL19-019
Response To: South Dakota Public Utilities Commission
Requestor: Eric Paulson
Date Received: October 2, 2019

Question:

Refer to Attachment A to DR1-24. A direct install option is listed on page 1 of Attachment A. This option is not mentioned in the other responses to data requests. Is this an option to SD Customers? Has the cost of those thermostats provided by Xcel been included in the budget estimates?

Response:

We provided Attachment A as an example of the terms and conditions provided in Minnesota. Terms and conditions have not yet been finalized for our South Dakota product as it has not yet been approved. South Dakota customers will not have the direct install option available at this time.
