RE: Ottertail Power Company  
Annual update of the Energy Efficiency Partnership Cost Recovery Rider

Dear Sirs/Madam,

Please consider this a written objection to increasing the Ottertail Power kWh of \$0.00014 per kWh filed on May 1, 2019 and to hold a public hearing on the filing. We seniors are paying enough for electricity as is, an increase in our power bill will cause a great deal of burden on seniors.

Thank you

Laurel Hanson
